We hereby acknowledge and accept that our organisation must and will continue to meet the security requirements as set out below in order to be recognised as a 'known customer' of New Zealand Couriers Ltd.

- We will ensure that we have processes in place so only intended items are contained in our consignment of cargo or documents.
- Every non document consignment is accompanied by a statement of content in the form of a consignment note and Commercial Invoice. Where only documents are shipped, a consignment note with a description of goods will suffice.
- Every consignment will be protected in a manner that enables New Zealand Couriers Ltd to identify whether a consignment has been tampered with.
